**Attention - Allottees of Bawana-II (Bhorgarh) Industrial Area under  
Relocation Scheme who have not deposited cost of their plots -  
Last date now extended upto 31.03.2015 (with interest)**

Inspite of various extensions of time given in the past upto 30.06.2013, it has been observed that many allottees of Bhorgarh plots have not yet come forward for making full payment towards the cost of their respective plots. All such allottees are finally advised to make the required payments by the last date now extended upto 31.03.2015 (with usual rate of 18% interest p.a.) positively, failing which the allotments of their alternative industrial plots will be cancelled without further notice in this regard. This extension also applies in those cases where the full cost of plot stands paid but some interest portion is still pending for payment.

**This may be treated as last and final opportunity by the allottees.**
