(PERSONNEL DIVISION)

No: DSIIDC/Cash less Medical/Estt./II

Dated: 20-07-2016

Office Order

DSIIDC has adopted the Insurance Backed Cashless Medical Scheme with effect from 18.07.2012. In view of the grievances received from employees, and in their interest, the benefits have been revised. Accordingly, each category is entitled to the Family Floater cover as detailed below:

Category	Entitled Family Floater (FF) (Rs.)
Category A Grade Pay inclusive and above 6600/-	3,00,000/-
Category B Grade Pay from Rs. 4800/- to Rs. 5400/-	2,00,000/-
Category C Grade Pay inclusive and below Rs. 4600/-	1,50,000/-

Further, in case the Family Floater cover/ sum insured is exhausted, the employees of category A,B and C, subject to the sole discretion of management are entitled to additional 50% of their Family Floater cover. The approval of enhanced family floater would also be subject to expenses incurred on the identified list of major ailments (listed below), availability of funds in corporate buffer and exhaustion of self enhanced insurance coverage (in case of employees have opted for the said facility):

Name of Diseases/Major ailments	
1	Multiple Sclerosis With Persisting Symptoms
2	Stroke Resulting In Permanent Symptoms
3	Cancer of specified severity
4	Kidney Failure Requiring Regular Dialysis
5	Open Chest CABG/ Angioplasty
6	Major Organ /Bone Marrow Transplant
7	Major Injuries
8	Liver Disease/Transplant
9	Major Burns
10	Coma Of Specified Severity

Room rent applicable to the above categories of employees is 1.5% of the entitled sum insured/family floater cover, in case of normal hospitalization and double of the normal rate, in case of ICC/CCU. Employees may kindly note, that they would be solely responsible for extra expenditure over and above their respective entitlement (family floater cover) and the entitled room rent etc.

To avoid uncalled for expenses, it is essential that all employees may identify hospitals in their residential vicinity for an emergency mishappening or planned hospitalisation for treatment of critical diseases.
