As all may be aware, DSIIDC has adopted the Insurance Backed Cashless Medical Scheme with effect from 18.07.2012. It has also been brought to the notice of employees that each official is categorised on the basis of their respective pay scale/grade pay and, is accordingly, entitled to the Family Floater cover as detailed below:

Category	Entitled Family Floater (FF) (Rs.)
Category A Grade Pay above 6600/-	3,00,000/-

Further, in case the Family Floater cover is exhausted, the employees of category A,B and C are entitled to enhanced Family Floater cover up to 50%, and category D upto 100%, on the discretion of management from the corporate buffer.

Room rent applicable to the above categories of employees is 1.5% of the entitled family floater cover, in case of normal hospitalization and double of the normal rate, in case of ICC/CCU.

To avoid uncalled for expenses, it is essential that all employees may identify hospitals in their residential vicinity for an emergency mishapening or planned hospitalisation for treatment of critical diseases.

Employees may kindly note, that they would be solely responsible for extra expenditure over and above their respective entitlement (family floater cover). It is the sole discretion of management, subject to availability of funds, to allow any additional reimbursement over and above the family floater cover.
