NOTICE

**Attn: Allottees of Industrial Plots under the scheme of Relocation of
Industries**

In pursuance to the directions of the Hon'ble Supreme Court of India, Govt. of Delhi/DSIIDC had allotted alternative industrial plots at Bawana, Narela, Badli, Patparganj & Jhilmil Industrial areas to various industrial units for shifting of their industrial units from non-conforming / residential areas to the allotted sites in above mentioned areas.

The process of giving possession of plots to these units commenced from the year 2001 onwards with directions to close down their industrial units at the old sites immediately and shift to the new sites, after constructing factory buildings there upon, at the earliest.

It has now been noticed that some of these allottees have not started their industrial units at the new locations even after a lapse of considerable time.

In view of the above, it is proposed that the allotment of industrial plots to such units which have not shifted to the allotted relocation site, may be cancelled.

In case allottees of such relocation plots have any justification for failure to shift to the new sites so far, they may inform the same to the undersigned within 45 days of the publication of this notice.
